[User](#) doesn't like about Checkers:

they have no allergy information for customers in the load. workers are in business are not aware, food ingredients, very uncertain for someone with allergies. it has been said that an article has nuts when it is not infact. also, they don't heat up the crispy. who wants a semi-frozen brownie? not me. at least the young one in the microwave. I've never gotten a harder brownie. it sucks because eating is actually not... [read more](#).
