Ordered from the app and when I arrived a couple minutes early, they already had my bruschetta bowl ready to go! It was very busy but it was lunch hour rush so there's that. They welcomed me even though there were several people waiting for food and when I told them I had ordered on the app, they were able to grab my order right away. It's such a good flavor and I crave it sometimes. If you haven't tried on of their... [read more](#). What

[User](#) doesn't like about Pita Pit:

I went to the Pita-Page today and waited in the car until someone reacted. I waited 10 minutes and no one ever came. very disappointed. fwi, the place was not busy at all. there was no one. they just didn't recognize me, it was weird. [read more](#).
