The Card of Wasabi from [Mustang](#) contains about 10 different dishes and drinks. On average, you pay for a dish / drink about \$8.3. What [Canyon K](#) likes about Wasabi:

California roll was great. Hibachi steak was very over cooked (asked for medium well but its well done) but all the vegetables and rice alongside were great. Kind of inconsistent with other menu items other than sushi but we are always very happy with sushi! [read more](#). What [Jasmine F](#) doesn't like about Wasabi:

Calamari order was tiny. Clear soup tasted off. How do you even mess up clear soup? We got a fried cheesecake when we ordered tempura chicken and veggies. The sushi itself was okay. Honestly never ordering from this place again. [read more](#). In the Wasabi from Mustang, a lot of freshly harvested vegetables, fish, and meat are used to prepare healthy, tasty Japanese dishes, Particularly fine are also the **Sashimi** and delicacies like **Sashimi** from this restaurant.
