Subway offers a mixed bag of experiences, with some patrons praising the food's freshness and the friendly service. Many appreciate the ability to customize their sandwiches and the welcoming atmosphere, making it a convenient spot for lunch or dinner. However, cleanliness inconsistencies have been noted, affecting the overall dining experience. Some customers express disappointment over rising prices and reduced quality, particularly voiding beloved condiments like spicy mustard. While the restaurant has garnered positive feedback for its efficient staff and pleasant environment, there are concerns that need addressing to enhance customer satisfaction. Overall, it's a decent choice for a quick sub.
