the tofu burrito or bowl is wonderful! favorite place for me (vegan) and carnivores. order them to make vegan without the creamy zing sauce. updated by previous review on 2022-04-19 [read more](#). What [User](#) doesn't like about Vellee Deli:

vellee offers a vegan banh mi with tofu, and also a tofu burrito. the banh mi was good, but not great (the tofu has a strange, acidic marinade that does not taste super.) vellee is better than the average Skyway spot that serves salad or [sushi](#), but it has to improve place. [read more](#). Look forward to the *diverse, fine Mexican cuisine*, traditionally prepared with corn, beans and chilies (hot peppers), The meat is freshly grilled here on an open flame. Finally, this restaurant also provides you with a comprehensive diversity of different, already prepared specialties, Besides, the successful blend of different dishes with new and sometimes adventurous products is appreciated by the visitors - a good case of Asian Fusion.
