The restaurant from North Myrtle Beach offers **18** different **meals and drinks** on [the menu](#) at an average price of \$4.5. What [User](#) likes about Fenway Grille:

Best Hot dogs I've had in a long while. I could have just eaten the toppings on a bun minus the meat!! Got them the only way to get them... CAROLINA Style aka chili, mustard, onions and Slaw. Great fries too and you get several. [read more](#). In pleasant weather you can even eat and drink in the outdoor area. What [User](#) doesn't like about Fenway Grille:

Glad it's in N. Myrtle, but not in the top 3 of dogs. Service was sketchy because their signs are bad. Trash all over and filled to the brim. 100% too much relish on the Chicago. Kinda sad in general and I feel bad for writing this because the concept is cool. Bully's still has the best dog. [read more](#). Fenway Grille from North Myrtle Beach is in demand for its exquisite burgers, to which *crispy fries, salads and other sides* are provided.
