What [User](#) likes about Sapthagiri:

the alo gobi is one of me in entrées. but the samosas, dosas, criteria, etc. are also very tasty and can easily be made with olive oil instead of butter. I strongly recommend to them that I dive or withdraw. [read more](#). What [User](#)

doesn't like about Sapthagiri:

I have eaten some paints here and the dosas were ok, but it is not really vegan friendly. it is the only place to newark ave. recommended for vegans. the last time I had the suppe and paratha, became sick and will not return. the new ave area in general seems unfriendly for vegans. sad that I have not been able to find an Indian restaurant in jersey city that is good for vegan is updated by previous review on 2021-12... [read more](#). At Sapthagiri in Jersey City, you get a *tasty brunch* for breakfast and you can eat as much as you want pamper, Moreover, the enchanting desserts of the house shine not only on children's plates and in children's eyes. Guests also appreciate the use of typical **Indian spices**, there are also delicious vegetarian dishes on the menu.
