Wonderful place. Great spirit of care and commitment on the owner's part. Nice space, airy and friendly. Best croissants I've had in the states. Only Paris was better, and not all of those were as good as these! [read more](#).

What [Nicholas Romano](#) doesn't like about Mylo Coffee Co.:

Nice environment, but can't say food was anything but average (to be generous)...coffee is ok, just like it was made at home. Bit surprised to wait over 40 minutes for 3 toasted sandwiches? With a handful of pecans, can make same quality sandwich on a George Foreman grill. [read more](#). The extensive diversity of **coffee and tea specialties** makes a visit to Mylo Coffee Co. even more worthwhile, You'll also find tasty bites, cake, simple snacks and chilled refreshments and hot beverages here. You can just get one of the fine sandwiches, a healthy salad or another snack, if you're not that hungry, and you can try tasty American meals like *Burger or Barbecue*.
