Softserve:

magpie is the best. it is a lil expensive, but the tasty worth it! They exchange their aromen regularly and they are always interesting (corn mandel? . I have also tried their pliers it was insanely good. they also have milk options here, so be careful when ordering! [read more](#). What [User](#) doesn't like about Magpies Softserve:

Used to patronize this place frequently but when I inquired about their nutritional info they don't have it...I have a feeling it's very high caloric, sugar and fat. Didn't find staff or owners friendly. Sorry to report this but many of us are vegan for health reasons also. [read more](#). At Magpies Softserve from Los Angeles you can taste delicious [vegetarian](#) menus, in which no animal meat or fish was processed, Inthemorning a *delicious brunch* is offered here.
