my first impression was cool cafe. it's cool. they have a projection of signs on the wall and they gave free ice water. if it is 98 degrees outside in fl, they certainly appreciate that very. they have pizza, salad softdrinks etc. it is open court style and family friendly. cool little stop to recover and take a quick bite. A bit unorganized and forgot one of our sides we ordered. The chicken Parmesan was pretty good, but the chicken Alfredo is absolutely terrible. It's watery, flavorless, extremely bland, barely any hints of cheese and tastes more like milk, and the pasta was over cooked. The only edible part was the bread and chicken. Would probably not go back. [read more](#). The extensive range of *coffee and tea specialties* greatly enhances the value of a visit to Cafe 4, They also present delicious South American meals to you in the menu.
