What [Christina L](#) likes about Saffron:

Pretty good pad Thai and extra points for a quiet place to sit. Airport priced but no surprise there. Surcharge on top of airport price is really sneaky and undisclosed until you get the receipt. Dietary restrictions: Gluten free options clearly marked [read more](#). The restaurant is accessible and can therefore also be used with a wheelchair or physical limitations, and there is complimentary WiFi. If the weather conditions are right, you can also eat outside. What [Mitchell Wade](#) doesn't like about Saffron:

Have been grabbing to-go food from here ever since it opened in SAN and have dined at their Mission Hills location for years. Most recently have noticed the airport location 's quality declining with less flavor and more oil in their servings. On top of it they are now making an issue of asking for Sriracha sauce and saying they will provide for .82 and are adding in 2 containers of peanut sauce in their containers wh... [read more](#).
