[User](#) likes about Bay Poke:

decent poke bowl. many rice and only 2 small fish carvings. smallest scoop of avocado I've ever seen, maybe worth a teaspoon. total good taste, quality ingredients but much too much rice given for the small amount of fish. price was only \$13, but so can not complain too much [read more](#). The restaurant also offers the possibility to sit outside and be served in beautiful weather. What [User](#) doesn't like about Bay Poke:

Every single time I order from here to go they always mess up something the staff is rude and rushing you through the order and after picking it up it's work maybe if y'all had better customer service and communication peoples orders wouldn't be incorrect I hate this location .
