I really hope that the server does not share typps with the chefs. arrived at 2:00 o'clock sun/month tomorrow after a 12-hour shift. server was great, but I had to listen to the cook that was rude to him, bc he had not abandoned. then forget the same chef, put speck on my burger and I had to go back. the cook does not take his job as seriously as the server. don't go here. when we went, there was only one hostess that served tables at the same time. the food came out quite quickly, but it wasn't fresh at all. it seemed like it was eating old days before. the coffee was disgusting and was not fresh, and ended up experiencing my group and I health problems during the day.
