super fresh ingredients and delicious chocolate! they have a tonne of different options for the marinated pokal, beside food choice for their bowl and sauces. they have recently added web-mi sandwiches and musibis to their menu. there is also a beautiful, spacious seating area in the interior. great option for food in the opposite to go. we live next door and will be back for more! read more. The diner is accessible and can therefore also be used with a wheelchair or physical limitations. What james r doesn't like about Ponzu Poke:
Go here if you want to get their idea of poke without many customizations. Decenrt flavors, but not a lot of options. They cancelled a large part of my order for being unavailable, and I didn't find out until I picked up: advanced notice would have been appreciated. read more.
