This is a great Asian fusion restaurant. They have an exceptionally elaborate menu and everything we tried was great! I never had a sushi [pizza](#), but it was a fantastic starter and I highly recommend it. The Korean BBQ ribs and they were delicious. My wife had the soba noodles with beef, and she was very happy with her choice. The food is presented in a really beautiful way that gives you the feeling that it is as hig... [read more](#). If you're craving for some **tasty South American culinary arts**, this is the place to be: tasty meals, prepared with fish, seafood delicacies, and meat, but also corn, beans, and potatoes are in the menu, and you can try tasty American dishes like Burger or Barbecue. The [burgers of this place](#) are among the highlights and are usually served with side dishes such as French fries, salads or wedges, for breakfast they serve a extensive breakfast here.
