Rodrigo was pretty delicious. We had the fish Tacos and Steaksalat. Pretty typical atmosphere, lower lighting quiet enough to speak comfortably. The jalapeno margarita on the rock was good, the right amount of sweet with a tiny jalapeno kick on the back. A solid place for most occasions! [read more](#). The restaurant and its rooms are wheelchair accessible and thus reachable with a wheelchair or physical disabilities, Depending on the weather conditions, you can also sit outside and be served. What [User](#) doesn't like about Rodrigo's Mexican Grill:

It was okay, but not exceptional. The hard taco fell apart due to the softness of a bowl, the beans were grainy and the Chile Relleno had no taste, with too much cheese. The best part of the meal was the fresh chips they serve you when you sit down. To eat many better restaurants out there. [read more](#). The restaurant also offers its customers a **catering service**, It's possible to chill out at the bar with a cool beer or other alcoholic and non-alcoholic drinks. Among the visitors, the *versatile, fine* [Mexican cuisine](#) is also popular, in which mainly corn, beans and hot peppers are used, Furthermore, the drinks list in this restaurant is impressive and offers a good and comprehensive selection of beers from the area and from worldwide, which are definitely worth a try.
