Best wings in town. Been coming here well over 30 years now, and the quality is always consistent. Run by a fantastic hard working family I'm proud to call my friends. [read more](#). The restaurant is accessible and can therefore also be used with a wheelchair or physical limitations. What [User](#) doesn't like about International Cafe: Wings and Philly cheesesteak are good but nothing special. Other foods are average at best. Their blue cheese sauce was surprisingly good. Prices are reasonable compared to other wing restaurants. Service is efficient and friendly. Not sure if I will ever dine-in again because the atmosphere is kind of ghetto and old and in dire need of a renovation. Will order takeout when I'm in the area. [read more](#). At International Cafe, *fine cuisine from around the world* are freshly prepared for you. Also, the visitors of the establishment love the comprehensive selection of differing **coffee and tea specialities** that the establishment has to offer. We offer not only sweet pieces, cakes and small snacks, but also cold and hot drinks.
