What [User](#) likes about Kings Hat:

When driving on 1. Ave South there is a reason that traffic is secured in the small Burger shop called Kings Hat. This place is a local jewel and is definitely worth waiting. The flying Cheeseburger is like everything here. Before you go to any chain restaurant, always go locally, especially with this place. There's a reason they've been here for so long. Muy bueno!!! They were very nice. The food just didn't do it for me. I might come back and try again. I'd get a double though instead of any single burger. I'd recommend getting a double because the burgers can't be bigger than McDonald's value menu size. Very good prices. French fries were good. I got the chili cheeseburger and it just did not satisfy. Nothing was wrong, just nothing was also great. [read more](#). At Kings Hat from Billings they offer different *exquisite French menus*, and you can enjoy here fine American dishes like **Burger or Barbecue**. Even **South American** fresh fish, meat, as well as beans and potatoes are cooked here, For a snack in between, the tasty sandwiches, healthy salads, and other snacks are suitable.
