Customer service is very well rated here. I never had a bad experience with this restaurant. It is very clean, the bathrooms are very clean. You have a full bar that you have a catering menu if you need something. There are not many seats like their other restaurants, but it is very busy here and it is worth stopping. [read more](#). What [User](#) doesn't like about Fiesta [Mexican](#) And Catering On Queensgate:

1st time have given them less than a 5. Had the Shrimp Fajita Salad and they charged 5.00 extra for the Shrimp, even though the menu doesn't state that! Shrimp was supposed to be seasoned and seared, and it definitely was not. Bummer. The catering service is also provided by the establishment for its visitors. Moreover, the drinks menu of this gastropub offers a good and especially comprehensive variety of beers from the region and the world that are definitely worth a try. Among the customers, the **versatile, delicious Mexican cuisine** is also popular, in which mainly corn, beans and hot peppers are used. It's possible to chill out at the bar with a freshly tapped beer or other alcoholic and non-alcoholic drinks.
