Great Italian food the salad brought me back to sitting in the in my friends house and his Italian mom made us lunch. The place is a fine dining environment but come casual because everyone's dressed that way. A great bar environment for after work or finish business meeting. [read more](#). What [Dorina Brasla](#) doesn't like about Adelio's: I went by for dinner and it was pretty bad. My friend Lachs was very dry, and the bread was grocery quality. My chicken salimbocca was not bad, but the angel hair pasta was boiled over. The waitress was very nice, place looked pretty grungy. It surprised me that there were people dressed there. Maybe this is the best Italian place for many miles? [read more](#). In case you're hungry some *fiery South American cuisine*, you're in the right place: exquisite dishes, cooked with fish, seafood, and meat, but also corn, beans, and potatoes are on the menu, You can take a break at the bar with a freshly tapped beer or other alcoholic and non-alcoholic drinks. Watching various sports events and competitions is also one of the pluses of visiting this **sports bar**, and you will find genuine Italian cuisine with classics like [pizza](#) and pasta.
