Whataburger is a popular [fast food](#) chain with a cult-like follow. Known for its delicious burgers and crispy, golden brown pomes, Whataburger has become a stack in the southwest and southwestern United States. The menu at Whataburger focuses on classic American [fast food](#) elements, but with a little twist. Their burgers are made with 100% pure beef and served on a large 5-inch jack that is perfected. The burgers are... [read more](#). The restaurant also offers the possibility to sit outside and eat in pleasant weather. What [User](#) doesn't like about

Whataburger:

I'll start with the good: The employees were nice and the restaurant was clean. The bad: The burger had no flavor and the meat tasted like rubber. It was a very weak burger. Not bad enough for me to give it one star but certainly not good enough for three. Hopefully this place improves. [read more](#).
