One of my favorite sushi restaurants. Favorite article would be the yaki soba chicken, popcorn lobster role, and the rattlesnake role. You could use some interesting drinks to supplement their dishes. It is great that they have taken over the S Bars site, but it seems that they are still in the process of realizing their own atmosphere. [read more](#). The place also offers the possibility to sit outside and eat in beautiful weather. What [Jennifer Rodriguez](#)

doesn't like about Oishii Sushi Teriyaki:

I usually love eating here. Great food, but now I have to consider how well they organize their business. To make it short, my order was taken by someone else, and no one knew who took it. No witness, no idea. Everyone clueless. Please check who's taking the order before someone just grabs it and leaves. It's not cool. [read more](#).
