What User likes about Dragonbeard Kitchen: good food, but very large amounts, such as \$15 per plate with tax and tip. the general customers are very fat because they eat so large amounts of food. the environment is very nice and very clean. we split a plate and were still full. I saw 3 customers who were the size of the wale and they are the whole sandwich whole 9 inches its not easy to take 9 inches, which is big but some as it is big. read more.
