What [User](#) likes about Cheddar's Scratch Kitchen: our waitress was fantastic. fast and right with a look at our table. the food arrived quickly and was delicious! I had the Coconut War plate with potato and my fiance had steak. it's like an applebees upgrade, but not quite a Texas roadhouse. food: 5/5 [read more](#). The rooms in the restaurant are wheelchair accessible and can also be used with a wheelchair or physical disabilities. What [User](#) doesn't like about Cheddar's Scratch Kitchen: I went here with my boyfriend today and every other time we've gone the foods been really good up until today. The mash potatoes tasted like ones I could have made at home. Same with the NY Strip and Sirloin. I never write reviews for places but this place had the worst steak I've ever had. I've even had some steak that was still edible from other places but this was the worst steak ever!! The server was very nice th... [read more](#). Are you looking for [desserts](#)?
