The most beautiful, cleanest Ihop I've seen before. The server set us fast and was super nice for us all the time. We went at 11:00 and stayed until 12:25. The food came fast and fresh. Fries were well seasoned and chicken well cooked, but still juicy. Has with a big loud group near us, shortly after we there, but unlike, it was quite nice to visit. [read more](#). As a visitor, you can use the WLAN of the place free of charge, And into the accessible spaces also come guests with wheelchairs or physiological disabilities. What [User](#) doesn't like about Ihop: My waitress was ingenious to take care of several parties themselves. This place, however, is underoccupied. I ordered chicken pliers and pancakes and my friend ordered a chicken burger. The chicken was burned, the waitress recognized it was dark and there was no change in oil. Was not even offered new or discounted price. [read more](#). An additional service offered by the restaurant is the catering service for customers, and you have the opportunity to try delicious American meals like Burger or Barbecue. If you decide to come for breakfast, a **tasty brunch** is ready for you, Naturally, you should also taste the **fine burgers**, accompanied by sides like fries, salads, or wedges offered.
