What **User** doesn't like about Hardee's:

1? Because there is no way to choose NO stars! Honestly, they don't know how they are still open! You should not be allowed to sell cookies as they were cookies this morning as hard, dry, burned like steak meat! Like they were a week old. This place is a disappointment!! Just go here because it's closest!. For quick hunger in between, Hardee's from Birmingham provides tasty sandwiches, small salads, and other treats, as well as hot and cold drinks, For breakfast a versatile brunch is offered here. In addition, there are tasty American dishes, such as *burgers and grilled meat*, You'll find delicious South American meals also on the menu.
