Yvette who is the manager, is why this place gets 5 stars. My order was messed up. She, however, resolved the matter satisfactorily. She should be commended, for her excellent customer service skills. The sandwich was good. I highly suggest that you check your orders, before driving off. read more. The restaurant also offers the possibility to sit outside and eat and drink in nice weather. What Leland O'Hara doesn't like about Arby's:
They gave me wrong order of fries. They didn't have potato cakes , no turn overs on top of that wrong drink. I asked for unsweetened tea. Bad service. They were this bad when they were located at the other spot. If I could I would give them no star rating. read more.
