Travelers here. Love it! Was looking for a cheap meal, causing drinking and eating can be expensive. This place exceeded all expectations for a cheap fun night! The food was amazing and INSANELY affordable. I felt less guilty of ordering more drinks because I didn't spend an arm and a leg on both! They had billiard tables and I played my own music on the easy-to-use boombox. What a great find! 10/10 Come back here! [read more](#). In nice weather you can even have something in the outdoor area. What [User](#) doesn't like about The Pub N Grub: Good but not great on Italian beef. Also calzone had almost no ricotta cheese.(when asked for extra, they gave less. Server and hostess where good at there jobs. Great staff, okay at best food. [read more](#). During a meal, a good drink is essential. In this gastropub, you not only get delicious meals from the menu but also a comprehensive and particularly good variety of good beers and other alcoholic beverages that go well with the food, At the bar, you can unwind with a **freshly tapped beer** or other alcoholic and non-alcoholic drinks. One also grills **South American** here with fresh seafood, meat, as well as corn and potatoes, In the morning they serve a extensive breakfast here.
