What User likes about The Human Bean: COFFEE COFFEE COFFEE COFFEE COFFEE COFFEE COFFEE Human Bean serves superior coffee to all of the other major chains. Their prices are completely reasonable. The chocolate covered beans are tasty as heck! [read more](#). In beautiful weather you can even eat and drink in the outdoor area, and there is complimentary WiFi.

What Nicolina Tuoc doesn't like about The Human Bean:

Unfortunately, I was super disappointed in the smoothie. I ordered the strawberry banana and you could barely taste any fruit. I could taste the ice lol. I didn't try any coffee but I likely won't be coming back. [read more](#). In the morning, a tasty brunch is offered at The Human Bean in Minden that you can sample according to your mood, There are also scrumptious **South American** cuisine on the menu. Moreover, there are fine American meals, such as burgers and grilled meat, Likewise, the customers of the restaurant prefer the large variety of various **coffee and tea specialities** that the restaurant provides.
