The food was good. You are proactive with giving information about vegan / [vegetarian](#) / not dishes when you start to order things without meat, which is a big plus in my book. FYI the veggie tempura is not vegan b/c there is egg in dough (prob a normal thing, I have never thought to ask) [read more](#). What [User](#) doesn't like about Mikasa Asian Bistro Sushi:

This is another Sushi Resturant standing on reels with many sauces. They don't plant their rice with everything. The nigiri has no washabi to taste among the fish and tie it to the rice. For example, here at Mikasa nigiri is a piece of fish on the top of unseasoned rice. The lady informed me that people complained about the added wasabi and that they seasoned rice. If you want to make nigiri right, you need to reques... [read more](#). For those who want to **have a drink after work** and sit with friends or alone, Mikasa Asian Bistro Sushi from Tracy is a good bar, Moreover, the menu of this [gastropub](#) offers a good and especially extensive variety of beers from the region and the world that are definitely worth a try. Undoubtedly, the highlight of this establishment is the fine Sushi such as Maki and Te-Maki, and *easily digestible Japanese menus* are being made with lots of fresh vegetables, fish and meat.
