Hardee 's is the only place I know with the Texas Toast bread option. This thick, fresh, soft and heavy bread makes a world of difference. Best product? Breakfast sandwich. Eggs, ham and cheese like an egg mcmuffin, but a real egg, honest ham and cheese on the thick, fresh fried texas toast. If they served all day, I'd eat it all day.

3 sandwiches ordered for breakfast and they forgot the egg on 2 of the Friscos. So on my way to work eating half the food I paid for full price. Get it together or rent better workers. A nobody answered. At Hardee's from Virginia Beach, there are *tasty sandwiches, healthy salads and other snacks* for quick hunger in between, as well as cold and hot beverages, Of course, you also have to try the fine burgers, that come with sides like fries, salads, or wedges served. If you want to have breakfast, a **versatile brunch** awaits you, There are also nice South American menus on the menu.
