Finally a place in southern CA that knows what ?pan fried noodles? are! I have lived here 5 years and had yet to find a place that understood what I was asking for. I ordered the house pan fried noodle and cream cheese wonton. The noodle dish was as expected, lots of veggies, decent amount of protein. Would have liked more Protein but the food was truly made quick and not so expensive. I only wish the won tons were c... [read more](#).

What [User](#) doesn't like about Quik Wok:

Order house chicken and chicken fried rice. The taste was moderate. The chicken in the rice was so dry and hard I wonder if it was freshly cooked. I wouldn't go back to this restaurant. [read more](#). The Quik Wok from Oceanside serves various **delicious seafood dishes**, The inventive fusion of different dishes with fresh and partially daring products is highly valued by the visitors - a nice example of Asian Fusion. visitors particularly appreciate the *versatile, fine Chinese cuisine*, on the daily specials there are also a lot of Asian dishes.
