This is the absolute best chicken spot in New Jersey! Cluck'n Chicken Waffle sandwich is phenomenal. First time there, I ordered mild, just to try it. It was great. Second time there, I ordered it hot. They bring the heat. Now I order nothing but hot. They recently added burgers and those have been good too. They just don't disappoint. [read more](#). When the weather is good you can also eat and drink outside, and there is no-charge WiFi. If you're craving some zesty South American cuisine, you've come to the right place: delicious menus, cooked with fish, seafood, and meat, though corn, beans, and potatoes are also on the menu. Besides the yummy sandwiches, small salads and other snacks also make a good snack. For the undecided, the inviting smell of fresh flatbread combined with the tasty, syrupy promise of fresh baklava might be the necessary push - the Middle East is decidedly closer than you would assume, and you can enjoy here fine American meals like **Burger or Barbecue**.
