The restaurant from Texarkana offers 17 different **meals and drinks on [the menu](#)** at an average \$3.2. What [User](#) likes about Taco Bueno:

This is easily the cleanest Taco Bueno I've ever been to. I like the food and am usually willing to overlook how trashed Bueno restaurants usually are. And almost every single one is a mess. Except this one. The management is doing a great job and the employees are friendly. Good job. [read more](#). Look forward to the *diverse, fine [Mexican](#) cuisine*, traditionally prepared with corn, beans and chilies (hot peppers), Furthermore, the drinks menu in this restaurant is impressive and offers a good and comprehensive selection of beers from the area and from worldwide, which are definitely worth a try. After the meal (or during it), you can still relax at the bar with a **alcoholic or non-alcoholic drink**.
