All food is amazing, love half and half of meals. Coffee's not good at all. It's not a coffee shop, so I'll give it 5 stars. Mobile order is too notch, I ordered food 12 hours in advance and the food was ready on time. [read more](#).

What [User](#) doesn't like about Panera Bread:

Their bread bowls are good, and so are their teas. Most of their food is mediocre and way overpriced for what you're getting. If you're in TC, I strongly suggest eating local. All the food you find at Panera can be found at different local places for much better quality and worth the money. [read more](#).
