I went along la jolla, and stumbled over this beautiful place, I was recommended to the meatballs and marinara and the new York style [pizza](#) both amazing decisions!!! And had a white wine with it. Absolutely recommend this place, good to bring a date? [read more](#). What [User](#) doesn't like about Sammy's Woodfired Pizza Grill: Don?t order food delivery from here, it is grounded and no way to fix it. I knew this myself before I gave our last order, so I called to ask them if they double check it before leaving. Spoke with Shelby, confirms with her all the order changes and explains how the previous orders have been incorrect. She didn't check it or fought less when I called back to let her know it was wrong again. Did we say grub hub?. [read more](#).
