We absolutely loved this milkshake bar! They were so fancy and also really tasted amazing! We got the shake, Buttercup! And the Sweet Salty Cheesecake. They were both very good and even tasted really well mixed. The sweet and salty way helped bring the overly sweet buttercup a notch. Come here! You're pretty crowded. We divide two between 4 people easily. read more. The rooms on site are wheelchair accessible and can also be used with a wheelchair or physiological limitations. What User doesn't like about The Legendairy Milkshake: We had the 8oz milkshakes (cookie dough and shake it up butter cup) and they were \$16 each plus tip. That does not include the glass jar they come in. Keep in mind 8oz is the size of the mini coke cans so real small. The whip cream was not great tasting. Honestly they were meh at best. We were expecting so much better from a place that just does milkshakes. read more.
