One of the best breakfast places in Stockton. Quaint, fast service, good food, and prompt. Parking good also. The menu is large with family atmosphere. They have many, many duck replicas and ceramics to look at. I like the duck waffle the best. It comes with waffle eggs, bacon for under \$11. If you have the chicken tenders with it for \$3.99. Oh wow! Nobody makes those any better. I'll see you there this weekend. [read more](#). The rooms on site are wheelchair accessible and can also be used with a wheelchair or physiological disabilities. The comprehensive variety of **coffee and tea specialties** makes a visit to Duck Nook even more worthwhile. In the morning a versatile brunch is offered here. With fresh fish, meat, as well as beans and potatoes, here they also have South American grill. Of course, you also have to try the **scrumptious burgers**, that come with sides like fries, salads, or wedges served.
