Fioza Cafe is amazing!! You make my favorite coffee in Houston! The Baristas are always so beautiful and accommodating. There are games to play, there is a ton of seats when you go there to study/work. You also have bubble tea for the people you bring, who do not even like coffee!! A great neighborhood environment with good coffee and snack facilities such as vegan mascarons! [read more](#). Fioza from Houston is a comfortable café, where you can have a small snack or cake with a **warm coffee** or a **sweet chocolate**. Also, the visitors of the establishment love the large variety of differing coffee and tea specialities that the restaurant has to offer. You can just get one of the scrumptious *sandwiches*, a small salad or another snack, if you're not that hungry, for breakfast they serve a extensive breakfast here.
