Buzz Cafe is a local cafe specializing in coffee, baked goods and breakfasts. Attentive service in a cozy space. Relax and soak in the rich atmosphere and artwork. Visited on Fat Tuesday and was surprised with a delicious Paczki. Very satisfying with raspberry filling washed down with an endless coffee. Internet was spotty but still able to get work done. The atmosphere was quite energetic as we waited to have a table ready.. It did take some time for the waitress to take our order and bring our drinks, the food was fresh and delicious, portions were hearty and filling, no complaints on that.. Would of liked a refill mid meal on my coffee, however the restaurant had only one waitress, will definitely stop again and try different menu items!! [read more](#).
