3. Fl of Mall of Destiny, take the elevator. You're welcome. Huge beer selection both dark beer and IPA. Service was fantastic and great with recommendations. I ordered the Brunch Burger, which was cooked for perfection, and I added sweet potatoes. Hubby had the buffalo chicken sandwich with perpetrator deaths, which was also fantastic. Not from Syracuse, but would come back when we visit and just take a trip to get back. For those who want to *have a drink after work* and sit with friends or alone, World Of Beer from Syracuse is a good bar, Particularly with the bite-sized **Tapas**, you can't do anything wrong, because there is something for all tastes. Moreover, there are delicious American dishes, such as burgers and grilled meat, For a snack, the yummy sandwiches, small salads and other snacks are suitable.
