User likes about Kanjana:

I'm not an expert on Thai food, but this place was really good! We came to a late lunch on Saturday and were the only ones there. The restaurant has a really nice and relaxed atmosphere with something really cool art. This would be a nice place to take the family or a date. The service was great and the food was excellent! The menu is also very cheap. [read more](#). The restaurant offers free WLAN for its visitors.
