[User](#) likes about Saigon Pho:

This place is fantastic!!!! The food is delicious!!! The pad thai is the best I ever had in my whole life!!!! Also, Fong, the owner makes fresh from scratch macaroons and they are for to die! This place is a must try! [read more](#). What

[Wonder Woman](#) doesn't like about Saigon Pho:

Their Pho is mediocre, it tastes like quick Pho not the one that cooks overnight in bone broth and it lacks the ginger flavor. Spring rolls were ok new outlook on the peanut sauce.. [read more](#). Fresh mint, tasty salad, sprouts and a few drops of lime combined with rice noodles and meat - all of this can be found not only during your vacation in Vietnam on the plate, but also when visiting the nearby Saigon Pho in Tomball, there are also **delectable [vegetarian recipes](#)** in the menu. Even if you're only not so much hungry, you can still treat yourself to one of the **tasty [sandwiches](#)**, a healthy salad or another snack, Besides, the successful blend of different meals with new and partially adventurous products is appreciated by the guests - a good case of Asian Fusion.
