First time to this place last Friday after reading about it thru Yelp and tried the Mammoth Burger....best burgers we ever had....wifey had the original Burger value food and that you were even better than most Hamburger chains around....this place has just increased the barometer for the best burger for us....definitely our go to place now for Burger hands! Fantastic burger BUT the service is terrible. Their store hours are until 7pm and twice now I've been told the kitchen was closed even though I arrived before 645. As good as the food is, I don't see myself visiting this place again given how they've treated me. I'll gladly spend my money somewhere else. Good luck to those that dare to visit, I hope you're able to secure a burger! [read more](#). In case you're craving some *seasoned South American cuisine*, you're in the right place: exquisite dishes, cooked with fish, seafood, and meat, but also **corn, beans, and potatoes** are in the menu, and you have the opportunity to try delicious American menus like Burger or Barbecue. Even if you're not so famished, you can treat yourself to one of the tasty **sandwiches**, a small salad or another snack.
