Our server was very friendly and attentive. The sushi tasted fresh, delicious and unique compared to other sushi restaurants. We really enjoyed the house sauces and lemon juice they use in sushi. Very recommended! [read more](#). What [User](#) doesn't like about Kei Sushi Reno:

A few months ago I went to the Carson site and it seemed much better. Better sushi, better service. It is not that either at Reno site was terrible, but part of the sushi experience speaks with your cook and find out what is good and get recommendations, and that was not possible here because of language barriers. All this is said if you're looking for a merger of sushi and Mexican food, that's your place! [read more](#). With fresh ingredients like fish, vegetables and meat, Kei Sushi Reno from Reno prepares for you **fine sushi (e.g., Maki and Sashimi)** and numerous other variations, You can take a break at the bar with a cool beer or other alcoholic and non-alcoholic drinks. A lot of fresh vegetables, fish and meat is used in the easily digestible Japanese cuisine of Kei Sushi Reno, there are also **delicious vegetarian menus** on the menu.
