You have some of the best foods. they are so ready to work with any kind of diet, my daughter being a vegan, may not be spicy food! And our whole family loved everything! (We even tried to eat her vegetarian food! I hope I'll come back there soon to buy a real meat because I'm going by and smelling it all the time and smelling so good. You can tell everything they did is fresh. [read more](#). What [User](#) doesn't like about Soon's Tofu And Korean

Bbq:

Very bad. The quantity reduced a lot. I ordered two ramen soup. First one decently qty and this what I noticed in the second cup, it was just little more than half. When I called the restaurant, the guy told me I got extra in the first one. One star overall as they make good food. They just ignored what customer is saying. I have gone to this place several times in the past for takeout. This is not the first time I o... [read more](#).
