What [User](#) likes about Domino's Pizza: I really enjoy the convenience of the mobile order. I especially love easy access to offers and coupons through the app. The entire process can be carried out quickly and without problems or unnecessary problems. I love that you are also able to track your orders progress, no guessing game on if you actually go to get. It is around a very solid, fast, easy and good app. My local store is usually very good to make the... [read more](#). Bought the [pizza](#) for my kids. I didn't think to check the [pizza](#) before they started eating. Nonetheless, the toppings were put on the [pizza](#) AFTER it was cooked. All the toppings kept rolling off the pizza. It was not until my kids brought it to my attention that I noticed this. Not happy about half the toppings falling off the pizza like that. 10pm 09-06-23 was the date and approximate time of the day this happened. [read more](#).
