(1-25-22) for the first time in this place to stop to get some tacos. Every day I go by and today I decided to try them. In my opinion, Tacos by Hand tortilla is the best. You're pretty good too. The staff changes where it's really cool. The place was clean and overall good first time experience. I'll probably go back for some tacos. If you do not dine in make sure you order your food before you arrive. I had to wait more than expected. Thank you.
