I have eaten several times here and was never disappointed with food or service. There are some great deals on the regular buffet and the sushi buffet. For anyone who is expected to see and consume food from a \$20 person asian restaurant, that is not it. But if you want to eat a very decent place at reasonable price, you are in luck.

At [Grandview](#) Buffet from Grandview you have the opportunity to *try delicious vegetarian meals*, in which no trace of animal meat or fish was used, on the daily specials there are also a lot of Asian dishes. Of course, the right drink to accompany a meal is a must; for this purpose, this gastropub offers you a comprehensive variety of scrumptious, regional alcoholic beverages like beer or wine, Besides, the inventive blend of different dishes with new and partially adventurous ingredients is appreciated by the customers - a beautiful case of Asian Fusion.
