What [User](#) likes about McDonald's:

Had the pleasure to install a window film on the three drive thru window. The film will not only protect the large personnel from the heat, but will also stop 99.9% of the harmful UV rays. It is also cut off from the Pos systems on the screen. All in all a great experience to work as subcontractors and to eat. We look forward to seeing what our growing relationship has for us in the store! [read more](#). You can use the WLAN of the establishment at no extra cost, And into the accessible rooms also come visitors with wheelchairs or physical disabilities. What
